

## Evaluation Form: Teaching

Use the form below to record if and how you have achieved each teaching element. This includes checking off each element, noting the video start time and end time of each element (i.e. 1:15 – 2:00), and using the comments section to describe how each element has been demonstrated. If you would like to discuss more than one example per element, please list the start and end time of each example. This form can be printed or completed digitally. If printing, feel free to attach an additional page if more room is needed for the comments.

✓	Teaching Element	Time	Comments
	Communicates how to play poi safely		
	Leads appropriate warm-up exercises		
	Identifies objective/specific poi movements to be learned		
	Demonstrates poi movements effectively
